

Some information for school year 2021 - 2022

FaithHeritage Christian Academy

Dear Parents,

"For the LORD giveth wisdom: out of His mouth cometh knowledge and understanding." (Proverbs 2:6) God is the only source of wisdom. All real learning, therefore, must be founded on the Truth. **The Truth...**

To assist you in providing your children with a quality education based on the principles of God's Truths, a Christian academy was organized and accepted it's first class in August, 1999. This educational ministry is called FaithHeritage Christian Academy. Offering a quality, Christ-centered educational program, FaithHeritage seeks to help you in this extremely important God-given responsibility.

Christian education provides a continuation of the Christian training of many homes and churches. Christian education approaches all areas of knowledge from a Biblical or "Kingdom-view" perspective. With class sizes purposely being kept small, this Christian education experience will offer daily contact with Godly Christian teachers, leaders and staff. These teachers, leaders and staff will be committed and dedicated to the development of each child intellectually, spiritually, emotionally, socially, and physically by instruction and guidance based on God's Word.

FaithHeritage Christian Academy is a ministry and missionary outreach of FaithHeritage Baptist Church. Serving as advisors to the Headmaster are deacons and church members of FaithHeritage Baptist Church. This helps to insure that no outside forces can influence the school to change its practices or policies either doctrinally, morally, or educationally.

As pastor, I along with the families of FaithHeritage Baptist Church believe that FaithHeritage Christian Academy will help fill a need for many families seeking options for their child's educational development. An education which seeks to ignore spiritual faith and loyalty to God and country must be viewed as unbalanced and incapable of leading one toward true intellectual honesty.

Thank you for your interest in FaithHeritage Christian Academy. If you have any questions that we have not covered in the enclosed material, please call the school at 872-0828- Monday—Friday 8:00-3:00.

Yours for Christian education with a Biblical and "Kingdom" world view,

M.O. "Moe" Eckel Jr. Pastor and Headmaster
FaithHeritage Baptist Church and Christian Academy

Mission Statement

To reach boys, girls, their families and friends with the "good news" of Jesus Christ and help them to grow to love and serve Him.

Educational Philosophy

FaithHeritage Christian Academy has as its philosophical foundation the infallible Word of God. The goal of all education, according to 1 Corinthians 10:31 "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.", is to help man achieve life's purpose: to glorify God. As the explicit revelation of this God, whom men are to know and serve, the Word of God provides the primary instrument toward the goal of education. In light of this, emphasis must be placed on learning, understanding, applying, and memorizing the Scriptures during the school day.

According to Psalm 24:1, all of creation in all its aspects belongs to God. In Genesis 1:27-28, we are told that man was created in God's image and was given charge as a steward of this creation. In light of this charge, men are to be taught to understand the creation in all its aspects, not as an end in itself, but as a means to knowing and serving God. Hence, an effective education will expose students to the fullness of creation and give them skills necessary to

serve God as well as society. Since a true understanding of the world in which we live cannot be gained apart from knowledge of its Creator, all aspects of the educational curriculum should be *distinctly Christian*, taking into account God's revelation of Himself.

A primary portion of our service to God as outlined in both Exodus 20:1-17 and Matthew 19:19 is to center around loving our neighbors. To this end, a full education should include a substantial emphasis on acquiring and understanding the tools for communication and learning. In addition, students should understand the history and state of the culture within which they will serve God through their dealings with their neighbors.

Recognizing that parents have been given by God the basic responsibility of training and educating their children, FHCA *strongly encourages parents to be active in the instruction of their child(ren)*. Parents are to be aware of the process, content, and progress of their child's

education. Parents also may contribute to instruction in many ways. Lunch duty, substitute teaching, teaching a specialized subject such as art or music, helping with reading groups, serving with the parent-teacher organization, and being involved in field trips are some of the ways in which parents can be active in their child's education.

FHCA takes seriously the responsibility to choose its teachers carefully and support them properly in the school's endeavors. Since personal contact is the primary method of education, class sizes will be kept as small as practical, to insure attention to each student's educational needs. The needs and abilities of each child will be taken into account in the teaching process.

Statement of Beliefs

- We believe that the Bible, both the Old and New Testaments, was inspired by God, and is infallible and inerrant, and our only authoritative rule in matters of faith and practice.
 - We believe in divine creation; that man was created by the direct act of God and in the image of God.
 - We believe that Adam and Eve, in yielding to the temptation of Satan, became fallen creatures. We believe that all men, therefore, are born in sin.
 - We believe in the incarnation, the Virgin Birth, and the deity of our Lord and Savior, Jesus Christ.
 - We believe in His vicarious and substitutionary Atonement for the sins of mankind by the shedding of His blood on the cross.
 - We believe in the resurrection of His body from the tomb, His ascension to Heaven, and that He is personally coming again.
 - We believe in His power to save men from sin.
 - We believe in the necessity of the New Birth, and that this New Birth is through the regeneration by the Holy Spirit.
 - We believe that salvation is by grace, through faith in the atoning blood of our Lord and Savior, Jesus Christ.
- We believe that this statement is a sufficient basis for Christian fellowship and that all born-again men and women who sincerely accept this statement should be separated from the world of apostasy and sin and should live together in peace, and that it is their Christian duty to promote harmony among the members of the Body of Christ, and also work together to get the Gospel to as many people as possible in the shortest time possible.

Dress Policy

The FHCA dress code is applicable for **all** students, both on-campus and off-campus, who come to the school campus at **any** time. Young ladies may wear slacks, jumpers, shorts, and skirts, khaki in color. Skirts and shorts **must** cover the knees. Young men must wear slacks or shorts, khaki in color, (with belts) and shorts **must** cover the knees. (*If you can see the knees, the clothing is too short.*) Slacks, pants, shorts, etc. must be hemmed or cuffed and plain or pleated front with no extra pockets or decorations. Young ladies and men must wear solid colored golf shirts (short or long sleeved). We have a limited number of monogrammed school shirts that may be purchased for \$5.00 on campus as long as supplies last. No open toe or open heel shoes or sandals may be worn for safety reasons. Tennis shoes are preferred for foot-ware. **(The full dress code policy may be found in the Parent-Student handbook.)**

Non-discriminatory Policy

FaithHeritage Christian Academy admits students of any race or color and any national or ethnic origin to all the rights, privileges, programs, and activities generally made available to students of the school, It does not discriminate on the basis of race or color or national or ethnic origin in the administration of its educational policies, admissions policies, or other programs administered by the school.
